

ECLIPSE CROSS

Specifications

ECLIPSE CROSS

SPECIFICATIONS

GENERAL

	2.0L GL CVT 4x2	2.0L GL CVT AWD	1.5L GL CVT 4x2
Engine Type	MIVEC DOHC 16-valve 4-cylinder	MIVEC DOHC 16-valve 4-cylinder	MIVEC DOHC 16-valve 4-cylinder
Fuel System	ECI-Multi Point Fuel Injection	ECI-Multi Point Fuel Injection	Direct Injection Turbo Charger
Max. Output	110kW@6000rpm	110kW@6000rpm	110kW@5500rpm
Max. Torque	198Nm@4200rpm	198Nm@4200rpm	250Nm@3500rpm
Transmission	6-speed CVT (6-step Sports Mode)	6-speed CVT (6-step Sports Mode)	6-speed CVT (8-step Sports Mode)
Turning Radius	5.3m	5.3m	5.3m
Ground Clearance	180mm	180mm	180mm
Fuel Tank Capacity	63L	60L	63L
Fuel Consumption	7.9L/100km (Combined Cycle)	8.1L/100km (Combined Cycle)	7.7L/100km (Combined Cycle)

SAFETY FEATURES

- / RISE (Reinforced Impact Safety Evolution) Body Construction
- / 7 Airbags
- / Side-impact Protection Bars
- / ISOFIX Child Seat Anchors
- / ABS (Anti-lock Braking System)
- / AYC (Active Yaw Control)
- / EBD (Electronic Brake-force Distribution)
- / BAS (Brake Assist System)
- / HAS (Hill Start Assist System)
- / ASTC (Active Stability and Traction Control)
- / EPB (Electric Parking Brake)
- / EPS (Electronic Power Steering)
- / Anti-theft Protection Device
- / Keyless Operating System
- / Rear View Camera

INTERIOR

- / Tilt and Telescopic Steering Wheel
- / Multi-function Leather Steering Wheel with Audio and Cruise Control
- / Bluetooth with Hands-free Voice Control
- / Head Up Display
- / Paddle Shifts
- / Electric Windows (Front and Rear)
- / Central Door Locking with Auto Door Lock
- / Full Automatic Air-conditioning with Rear Passenger Vent Duct
- / Leather Seats
- / Heated Front Seats
- / Electric Adjustable Driver Seat
- / 60/40 Split Rear Seats
- / Accessory Sockets
- / USB Ports

EXTERIOR

- / Electronically Adjustable Fold-away Mirrors with Indicator Light
- / Projector Halogen Headlights with Manual Levelling Device
- / DRL (Daytime Running Lights)
- / Dusk Sensing Headlamps
- / Front Fog Lamps
- / Headlamp Washer
- / Rain Sensing Windscreen Wipers
- / Front and Rear Park Distance Control
- / Rear Spoiler with High-mounted Stop Lamp
- / Front Bumper Skid Plate (Silver)
- / Tailgate Garnish (Chrome)
- / 18" Alloy Wheels
- / Roof Rails

AWD AND S-AWC SYSTEM

Challenges arise when you least expect them. Whether navigating winding roads or challenging road surfaces, the Super All Wheel Control (S-AWC) system supplies optimal torque to the rear wheels for enhanced vehicle dynamics, stability and control. S-AWC integrates with Mitsubishi's Active Yaw Control (AYC), which uses braking to optimally distribute torque to the left and right wheels. Even if you unintentionally brake or accelerate too hard around a gravel-covered turn, you can maintain control without extra steering effort. You can choose the AUTO, SNOW or GRAVEL drive mode depending on road conditions to enhance accuracy, straight-line stability and manoeuvrability on slippery roads.

INVECS-III CVT AUTO TRANSMISSION

Coupled to the MIVEC engine, the INVECS-III CVT (Continuously Variable Transmission) with its Sports Mode delivers effortless driving with slicker gear changes and a smoother ride. Keeping the engine at optimum performance at all times, the CVT supports smooth, powerful acceleration and outstanding fuel efficiency as well as step-up shift control for effortless acceleration from any speed. The CVT fitted to the Eclipse Cross automatically selects the optimal gear ratio based on road and driving conditions. Unlike a conventional automatic transmission, there is no jolt when shifting gears and every time the accelerator is applied, there is an enjoyable, smooth acceleration.

MiTEC and HEAD UP DISPLAY

Mitsubishi Motors Intuitive Technology (MiTEC) is an integrated system of brilliant innovations in action, working in unison to guide and protect, alert and connect, and even entertain. One of those features is the Head Up Display which conveys vehicle information in full colour above the instrument cluster for easy viewing. The easy-to-see display provides relevant vehicle information within the driver's field of view, requiring minimal eye movement for safer driving. You can adjust image brightness and display height to suit your preference and time of day. The Head Up Display extends or retracts when you turn the ignition on or off.

Manufacturer's Warranty: 3 year / 100 000km. Road Side Assistance: 5 year Unlimited Mileage. Service Plan: 5 year / 90 000km. Service Intervals: Every 15 000km.
